SUSTAINABILITY

We know you want a building with low running costs and a low carbon footprint.

EVO Corby 169 is **BREEAM Excellent** and **Net Zero Carbon** in operation, so will boost your green credentials whilst reducing your environmental impact. We have an **EPC A+ rating** for energy performance, making it our first net zero carbon building in operation. We've used recycled materials, installed solar roof panels and car chargers, and flooded the warehouse with natural light. The offices are ready to fit out and a raised floor makes hardware installation easy.
